PROFILE

Aspiring and motivated Full Stack Developer with a strong passion for building smooth and high-performance web applications. Eager to gain practical experience in both front-end and back-end development. I have a mix of technical knowledge, problem-solving skills, and a focus on user experience. Quick to learn new technologies and frameworks, I am excited to contribute to and learn from a dynamic development team.

WORK EXPERIENCE

LIDL   2019 - 2021
Shelf organization

In charge of restocking available products in the store, ensuring proper organization and sorting of products, removing unsold and expired items, and integrating new arrivals into the shelves.

Amazon FBA, self-employed   2020 - 2022
Salesperson

Passionate Amazon FBA entrepreneur with expertise in managing inventory, optimizing listings, and maximizing sales through Amazon's fulfillment network.
